ONE ANONYMISED, JOB-SPECIFIC QUOTATION

ONE ANONYMISED, JOB-SPECIFIC QUOTATION

Competitors often keep prices hidden. Here is one of ours: a genuine written quotation for a proposed block-paved driveway of approximately 83 m² in charcoal 50 mm block paving.

What did that job REALLY cost?

A genuine itemised All Round Builders quotation for a proposed 83 m² block-paved driveway — shown openly, with the caveats.

Total quoted **£6,329.93**

WHAT THE QUOTATION COVERED

- Excavation and removal of the existing surface
- Prepared and compacted hardcore sub-base
- Bedding sand and charcoal block paving
- Block laying, joint filling and final compaction

NOT INCLUDED

Skip hire was not included in this quotation.

THE IMPORTANT CAVEATS

This is one anonymised customer-specific written quotation for proposed work. It is not a typical price, a rate to apply to another job, or confirmation that the work was completed. Size, material, scope and terms were specific to that enquiry. Your own project needs a current, site-specific written quotation covering the agreed scope.
